Number of Participants : **270**

The Human Rights Cell had organized a talk on 15 December 2021 on human rights highlighting the rights that the students must be aware of the responsibilities. Advocate Mr.Bopanna C S explained the gathering about the fundamental rights and article one to thirty. He also made clear about how a student has to be responsible in the society being aware about various rights and duties.

Staffs and 270 students took part and got updated about the rights and duties.

The programme was arranged by Mr. James Antony K, the in charge of Human Right Cell. The programme turned successful with the support and co-operation of the principal, staff and students.
