

ST. ANNE'S DEGREE COLLEGE, VIRAJPET

DEPARTMENT OF BCA

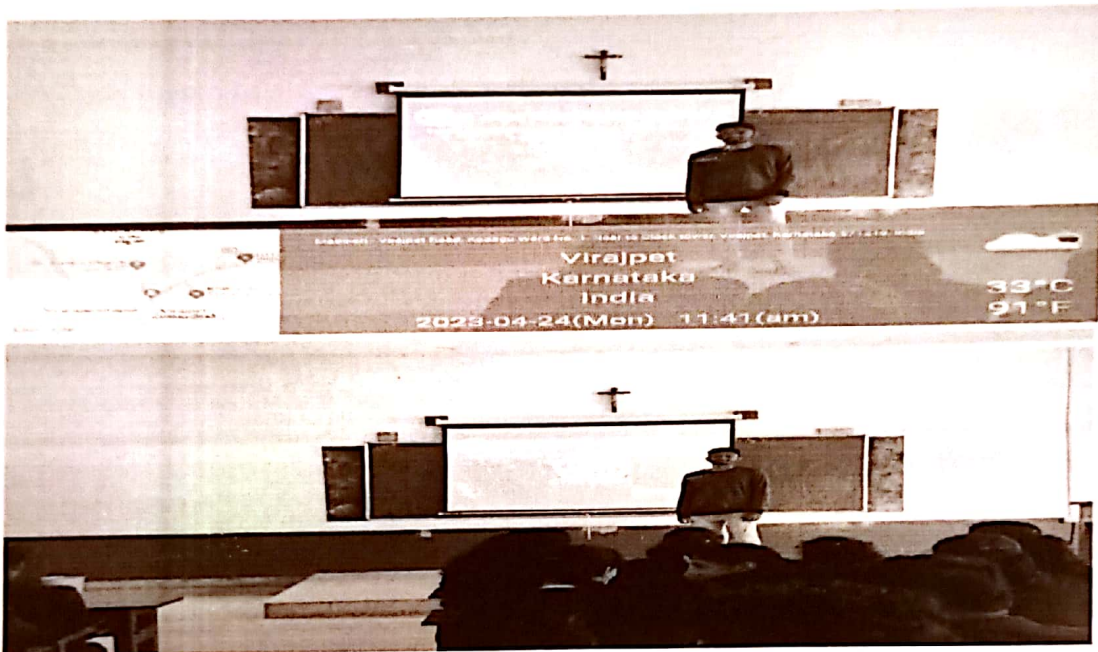

Name of the Event : Talk On ChatGPT

Date of Event : 24-04-2023

Venue : F6 ROOM

Number of Participants : 60

The Department of Computer Applications in association with Internal Quality Assurance Cell (IQAC) organised a talk on the topic "Chat GPT" on Monday, April 24th, 2023.

Resource person for this talk was Mr. Irfan D U, Quality Assurance Engineer, Manch Technologies, Bangalore.

Ms. Rakshitha B S, Assistant Professor, Dept. Of BCA welcomed everyone and introduced the resource person.

This talk was an attempt to make people aware about an overview of the ChatGPT technology, highlighting its capabilities, applications, and impact. The resource person enlightened about the working, benefits of using ChatGPT. He also explained how ChatGPT can assist users in various tasks, including answering

questions, providing information, offering suggestions, and engaging in creative or informative conversations.

60 students of II BCA got benefited from this session and the talk was a great success.

The Principal of St. Anne's Degree College, Mrs. Trupti Bopanna, Mrs. Soumya Somaraj, HOD, Department of Computer Application, Mrs. Hema B D, IQAC Coordinator were present. Mrs. Accamma M B, Assistant Professor, Dept. Of BCA, delivered vote of thanks.
