Talk on Good Touch and Bad Touch

On 22/2 /2019, Women Empowerment Cell jointly with Women Anti-Harassment cell organized a session On Good Touch and Bad Touch. Mrs. Kavitha, Lecturer St Anne's PU College was invited as a resource person.

This session was held to support the cause of creating **awareness on women safety**.

Every girl needs to be taught that their body belongs to them and they have the Right to protect it, with this in mind Miss Kavitha began her session. She made the students to understand who "Safe Adults" are and how to clearly communicate with parents about any bad experience.

She had prepared PPT, which was really effective; she briefed the meaning of Good Touch and Bad Touch. Good Touch is a touch which makes one comfortable. When someone touches the private part and tells you to keep it as a secret, it is a bad touch. The talk also highlighted how to handle a bad touch by shouting 'NO'. In this case students will have to either tell their parents or trusted friends. Bad touch will make one feel Angry, embarrassed, sad.

The session was very lively and really beneficial to the Girl students.
