## **IQAC ACTION TAKEN REPORT**

The suggestions/recommendations made by the IQAC during the meetings in the academic year 2022-23 that were implemented:

### **Discussion and outcome:**

1. The national level seminar on the topic "Intellectual Property Rights " and International Conference on the topic "Recent Global Trends in Science, Technology, Commerce and Management" was conducted successfully for the benefits of the students.
2. The revision of conveners of various committees was done which indeed brought new energy and ideas, into the activities undertaken by them, potentially leading to more effective outcome.
3. A successful series of faculty development programs was conducted on various topics including "Research Methodology," "Personal Financial Planning," "Self-support and Capacity Building for Teachers," and "Equipping Educators with Research Methodology, Technology, and Investment." These programs significantly contributed to the professional development of the faculty members.
4. The faculties were encouraged to participate in Seminars, Workshops, Conferences and Paper Presentations at various levels conducted.

5. The NSS and YRC unit and the different departments organized community-oriented programs aimed at addressing local needs and fostering engagement within the community.
6. The National Level Inter-Collegiate Football tournament was successfully conducted.
7. Several Career Guidance Programs and Placement Drives were conducted through the Career Guidance and Placement Cell to assist students in navigating their career paths effectively.
8. The students were given projects by different departments, supported and guided them to accomplish it.
9. The college successfully conducted a Green and Environmental audit, and the installation of a Fire Extinguisher System was completed.
