Report on Free Dental Checkup and Awareness Camp

To keep MOU effective, a free dental camp was organized on 29th January, 2020 at St. Anne's College campus. A team of post graduate student doctors carried out a comprehensive dental checkup.

The camp was initiated with dental awareness talk by Dr. Jithesh, Prof. and HOD, Department of Public Health Dentistry, educating students about common dental ailments, especially stressing

on tooth decay and gum diseases and measures to prevent them. The student doctors also highlighted about harmful effects of tobacco and proper brushing techniques.

Total number of students benefited by this camp was 308. On completion of the dental checkup each student was given a Patient card, a report summary of the diagnosed problem and the recommended dental treatment plan. It was of great success.
