Alumni Association
Talk On “Leadership”

Date of Event : 01/10/2018

Venue : College Auditorium

Resource Person : Mrs. Bollamma C.S

Alumni Association had organised a session on “Leadership” for the students. The resource person for the talk was Mrs. Bollamma C.S, Alumni. She had prepared a power point presentation to brief out why one should have leadership quality.

She began her talk by saying leaders are public figures and inspire the people around on various things. She further said leadership quality is inherent in some, others acquire it with little efforts over a period of time. She boldly put forth the basic requirements a leader should possess.

She concluded her talk by exclaiming that leader must not judge and form an opinion about team members, instead provide valuable feedback to them. Leadership quality can be acquired by constant efforts.
