

## **ANNUAL REPORT 2023-2024**

### **“The purpose of education is to turn mirrors in to windows”**

The academic year 2023–24 has commenced vibrantly at our esteemed institution, marking a significant milestone as classes began on August 18, 2023. On a green campus with sprawling grounds, we have good infrastructural facilities with all the basic amenities. At the core of our institution's success is a dedicated workforce comprising highly qualified teachers and administrative staff. Our team includes 30 full-fledged educators, each recognized for their expertise and commitment, alongside 7 administrative personnel who facilitate the smooth conduct of classroom activities, examinations, evaluations, and the diverse range of extracurricular and co-curricular activities that enrich the student experience. This collaborative effort helps to maintain an environment where academic rigor and personal development can thrive simultaneously. We offer undergraduate courses like B. Com, BBA, BCA, B.Sc., and postgraduate in commerce. These programs are meticulously designed to equip our students with the academic knowledge and practical skills necessary to excel in their future careers. We have nine departments in our college that strike relentlessly to impart quality education with the aim of providing an extra edge to the knowledge imparted. The management has provided the institution with an exemplary ambience, conducive to learning, with all the facilities necessary for intellectual growth as well as the advancement of the overall personality. We believe that the all-round development of students is crucial for their success. Therefore, alongside intense academic coaching, our institution emphasizes extracurricular and co-curricular activities. We encourage students to explore their interests beyond the classroom, whether it be in sports, arts, cultural events, or community service. Academic excellence has always been a top priority for us, and our results consistently reflect this commitment. Our students have showcased outstanding performance in various university examinations, further affirming the effectiveness of our educational framework. We take immense pride in their achievements and are motivated to continue enhancing our teaching methodologies and academic offerings. To ensure that our students are prepared for the challenges of the future, we have integrated skill development programs into our curriculum.
