

STUDENTS FEEDBACK:

Suggestion by IQAC:

- More skill development programs have to be conducted.
- Reality and liveliness in the subject offered have to be improved

Principal Remarks:

From the above analysis, it is observed that the students are happy with the syllabus coverage, timely assessment through tests and examinations, and reality in the subject offered. But measures have to be taken to improve curriculum, providing facilities for reading material, conducting skill development programs and ensuring a better learning environment.

Action taken report:

- The institution can further enhance the educational experience, ensuring that students are well-prepared, engaged, and satisfied with their learning environment and opportunities.
- Offer a range of electives and specializations that align with current industry trends and student interests.

ALUMNI FEEDBACK:

Suggestion by IQAC:

- Importance should be given to molding individual students.
- Students have been exposed to the outside environment.

Principal Remarks:

From the above analysis, it is noted that many are happy with the personal guidance given by the teachers and the supportive college environment, but courses have to be improved with advanced and modern topics, and more skill development courses have to be introduced.

Action taken report:

- Strengthen ties with industry partners to facilitate internships, guest lectures, and field trips that expose students to real-world experiences.
- Provide opportunities for students to earn certifications in relevant areas that enhance their employability.
- The college can build on its strengths while addressing areas for growth, ensuring that students are well-prepared for their future careers and are receiving a modern, relevant education.

TEACHERS FEEDBACK:

Suggestion by IQAC:

- Modern topics have to be implemented in the syllabus.
- Optional papers have to be introduced.

Principal Remarks:

The above analysis, states that the Organization is working according to the mission, vision, and objective of the institution, learning outcomes are also good, but improvement should be made by providing optional papers, modern topics have to be adopted, and teaching pedagogy have to be improvised.

Action taken report:

- The institution can work towards enhancing the curriculum and teaching effectiveness, ensuring that students receive a relevant and high-quality education.
- Introduce and train teachers on using educational technology and digital tools to enhance teaching and learning.
- Adding optional subjects to offer students more choices and flexibility in their studies.

Feedback Analysis:

Feedback from students, parents, teachers, and alumni plays a pivotal role in an educational institution's overall development and enhancement. Regular assessments and responsive adjustments foster a positive and dynamic learning environment. Feedback forms are distributed and collected at the end of the academic year

- **Student Feedback:** Collecting student feedback regarding the institution and teachers is vital for fostering a positive learning environment and driving continuous improvement.
- **Teacher Feedback:** Teachers provide valuable insights into various aspects of the institution, helping to refine the teaching and learning environment.
- **Parent Feedback:** Parent feedback contributes to the institution's improvement efforts. A collaborative approach ensures solutions that benefit all stakeholders.
- **Alumni Feedback:** Alumni often offer constructive suggestions for enhancing programs, services, and student experience. Their feedback supports institutional evolution.

Institutions can make meaningful improvements over time by analyzing and acting upon feedback from all stakeholders. Constructive feedback highlights strengths and areas requiring attention, fostering continuous improvement. Feedback is gathered on various parameters using a 4-point rating scale:

1. Strongly Agree
2. Agree
3. Disagree
4. Strongly Disagree
