The distinguished speaker for the session was **Mrs. Sindhura N Swamy**, an Advocate from Virajpet. Mrs. Swamy provided valuable insights into the legal rights of women, emphasizing the significance of knowing how to file cases in instances of harassment or the misuse of personal images on social media platforms. During her engaging session, she not only shed light on the legal aspects but also her focus extended to practical aspects, guiding the degree girl students on how to file cases in the event of harassment. She specifically addressed concerns related to teasing and the unauthorized use of images on social media, offering practical advice and guidance. She passionately motivated the attending students, encouraging them to aspire to positions of influence and avail all the rights rightfully meant for them.
