Event: Workshop on Driving Innovation with PHP

Organizer: Department of Computer Application

Speaker: Ms. Suneha P A, a consultant at Deloitte India

Number of Participants: 34

Venue: F6 Class Room

On 6th April 2024, the Department of Computer Applications in association with IQAC organized a workshop on “Driving Innovation with PHP”. The workshop aimed to educate final year BCA students, on building websites, server access, and database connections using PHP. The resource person for the workshop was Ms. Suneha P A, a consultant at Deloitte India.

Ms. Suneha P A shared valuable insights and practical tips on utilizing PHP for website development, which enriched students' knowledge and skills in the field. The keynote speech delivered by Mrs. Trupti Bopanna, the Principal of St. Anne's Degree College, further inspired the students to explore new possibilities in the world of PHP. The presence of IQAC Coordinator Mrs. Hema B D, Head of BCA Department Mrs. Soumya Somaraj added to the success of the workshop.

OBJECTIVES:

1. To provide students with practical knowledge on building websites using PHP.
2. To enhance students' understanding of server access and database connections.
3. To empower students to apply their knowledge in building projects using PHP.

CONCLUSION

The workshop on driving innovation with PHP helped the students in enhancing their knowledge and skills in the field of web development. It provided a platform for the students to learn and apply their knowledge in building projects using PHP technology. Overall, the workshop on driving with innovative PHP was a fruitful learning experience for all participants.

ACKNOWLEDGEMENT

With the invaluable support and guidance provided by Rev. Fr. Issac Rathnakar, Correspondent of St Anne's Institution, Mrs. Trupti Bopanna, Principal of St Anne's Degree College, Virajpet, Mrs. Hema B.D, IQAC Coordinator, and Mrs. Soumya Somaraj, Head of the BCA Department, the workshop was a great success.
