

With the Blessing of our President
Rt.Rev.Dr. Thomas Antony Vazhappilly, The Bishop Of Mysore.

Hearty congratulations to Rev. Dr. K.A. William
The Bishop elect, Diocese of Mysore.

Our Beloved Correspondent

"No wind blows in favour of a ship without a destination"

Definite aim, Definite goal, Definite destination. This is the first condition of success. Education is a continuous and life long process which helps to achieve the goal. It is true that education at St. Anne's campus provides a suitable environment with value based education to reach the destination. The main aim of our achievement is to bring a marvellous change in the individual with a definite goal and aim. So we can expect a greater change in the world.

-Rev. Fr. Madalai Muthu.

A Short History Of St. Anne's.....

St. Anne's church Virajpet was established in the year 1792. The present St. Anne's educational institution has a long history of more than 175 years. Even though the church was started in 1792, till 1842 there was no school attached to the church. In 1842 the French missionary father J M Newness who believed that the integral development could be achieved through the medium of education, started the lower primary school. The medium of instruction was in English. In 1962 all the independent schools run by the churches in Coorg came under one administration of Mysore diocese, under the registered society of "MYSORE DIOCESEAN EDUCATIONAL SOCIETY (M.D.E.S)". The degree college was started in honour of St. Anne, mother of Blessed Virgin Mary in the year 2007. College had a humble beginning with bachelor's degree in computer applications and bachelor's degree in business management. Later in the year 2009 it has ramified having a bachelor's degree in commerce. Our students and faculty come together in a true community of scholars to advance knowledge, face social challenges and pursue intellectual and personal fulfilment. We believe in establishing a healthy relationship with parents which is an important component of successful college experience for students.

OUR MOTTO

LET YOUR LIGHT SHINE

OUR VISION

VALUE BASED EDUCATION FOR EXCELLENCE

Principal's Desk...

GREETINGS FROM REV. FR. TENNY KURIAN.

St. Anne's Degree College is a place of Divine Providence, where the divine intervention for all category of students, is properly channelized through the instrumentality of Principal and Eminent Lecturers. It is a wisdom seeking Institution, located in the District of Coorg, Virajpet a beautiful place in Karnataka. At St. Anne's College we provide an atmosphere of healthy and value based Education along with fine Environment where all of us feel together that we belong to the family of St. Anne's. Our vision of Education is not only limited to the class rooms, we also encourage our students to think high and achieve something precious in their life.

We St. Anne's Management and Staff Wish you a Prosperous new year 2017

BACHELORS OF COMPUTER APPLICATION

The department of bachelor of computer application was established in the year 2007. It is committed to motivate and nurture young mind for production of excellent man power to meet the ever changing needs of industry. It aims to develop academically competent and professionally motivated persons, equipped with objective and critical thinking. It compassionately fosters the scientific temper with the sense of social responsibility.

The department has a good record as many students have placed well in IT companies. The curriculum and the lab training help the students in acquiring excellence in their career.

Smt. Soumya Somaraj is the Head Of the Department.

Department Of Bachelor's Of Business Administration

Experience excellence.....

"Quality Education will energise our youth". With this perception our institution started this programme in the year 2009. Advancement in technologies demands skilled managers. The faculty of this department undertook reforms to teach students the skills necessary to perform leadership roles in the business and corporate world.

Breaking through the conventional method of memory based learning, BBM at St. Anne's adopts application oriented teaching methodology. Updated and contemporary syllabus encourage the students to explore the new dimension of knowledge.

Our students are encouraged to take part in management fests as it helps students to gain practical knowledge. Classroom seminars are conducted to build confidence and skills needed for the leadership in the corporate world. The Department is led by Mrs. Hema B.D. Head Of the Department.

Department of Commerce..a journey of success

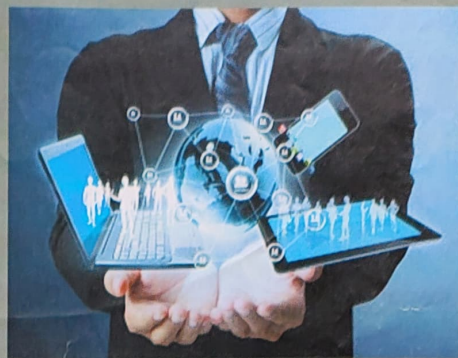

"Education is not filling a pail but the lighting of a fire" -William Butler Yeats.

Every journey invariably starts with a single step and the journey to scale great heights needs unflinching grit and relentless efforts. With the same determination we had embarked on a journey in 2009 by setting up commerce department. It was started with 60 students and has grown to 375 students. The curriculum is taught by the most distinguished faculty combining academic and real world experience with a lot of dedication and commitment. We also motivate learning through classroom seminars, guest lectures, industrial visit, quiz, subscription to newspaper and magazines .

We not only educate our students by dissemination of knowledge, but empower them with appropriate skills and ability to take up new challenges of the corporate world. At St. Anne's we equip students with study skills and business oriented thinking critical to modern and global commerce. We encourage students to participate in commerce and management events organized by other colleges and also get involved in activities of social relevance. Our students have brought laurels to the college by winning in various academic cultural, sports and other competitions at university and national levels. Under the guidance of Mrs. Trupti V.D, HOD of Commerce, Department is running efficiently.

Career guidance & placement cell

Our college has a well equipped "career guidance and placement cell". It motivates the students to be successful in life. The cell is functioning under the effective and efficient guidance of principal, placement officer, co-ordinator and assistant coordinator from various departments of the college. This ensures wide opportunities to young and energetic graduates at the end of their degree programme. The cell focuses on

- Resume building
- Seminars on communication skills
- Preparing them for interview and mock interview
- Campus interview

Above all, our cell has got a good network with the institutions, and industries which give a helping hand to make the vision and motto come true. Every year many recruiters visit our campus to provide employment opportunities to our students. It is a matter of great pride that we find St. Anne's at various offices and firms holding a good position be it the banks or MNC's and few entrepreneurs. Mr. Joyson Lobo, Asst. Prof. Dept. Of Commerce is the in charge of the cell.

Feel the Sense Of Social Service.....  **NSS**

Since 2009 NSS has been involved in various social service activities including blood donation, plantation drive, gender empowerment, national integration and social harmony, disaster management, environment protection and awareness, engaging with new frontiers of knowledge, social defence, health and wellbeing, legal literacy, awareness building about India's national heritage, culture and traditions, road safety campaigns etc. Students are also encouraged to join the NSS activities as it enables them to learn the diversity of society, way of solving problems and the democratic culture and way of life in the campus. We are proud to say that we have successfully completed seven village level special camps, two training camps and one university level cancer awareness camp in our campus. Mr. Arjun H.R. is serving as NSS Programme Officer since initiation.

WOMEN EMPOWERMENT CELL

Women empowerment cell is to empower women by promoting their participation in all areas and sectors to build stronger economies, improve their quality of life and bring gender equality. It was established with a view to make our women students capable to overcome limitations and to bring awareness regarding their rights and duties.

This cell mainly focuses on empowering our women students to take their own decisions for their personal dependent. Empowering is to make them independent in all aspects from mind, thought, rights, decisions and social problems. Mrs. Bollamma C.S from Department of Commerce is the convener of the cell. Programmers on women fitness, beauty, problems faced by women in society and many more worthy topics were discussed to enlighten our women community in our college..

RED CROSS UNIT

MOTTO

The need is real, the time is now

To protect human life and health, to ensure respect to all human beings and to prevent and elevate human suffering we have a Red Cross Unit started in the year 2013-14. As members of international Red Cross and red crescent movement we are active for the promotion of health and humanitarian values.

Under the guidance of Mr. Anthony Kiran, Asst. Professor, department of commerce, various programmes are being conducted since the initiation. The blood donation camp was organised in which our students generously participated. Various seminars were conducted which enlightened our students with the solutions for the problems faced due to addiction and health orientation tips.
