A Reel-making competition was organized by the Department of Computer Application for all the students, aimed at encouraging creativity and teamwork among them. The theme was 'life@Anne's'. Participants were responsible for arranging all necessary equipment for recording their reels. Teams registered for the competition through the Google form. Each team consisted of two members, and two rounds of judgment were provided. The first one was internal scrutiny, held on 6th April, followed by the final judgment on 10th April 2024. Reels were posted in collaboration with the college's official Instagram account and judged based on the number of likes. The duration of the reels did not exceed one minute. Videos were recorded within the college campus on March 30th and April 1st. Fake likes and comments were not considered in the judgment process. Only the teams selected in the internal scrutiny proceeded to the next round.

Competition Timelines:

- Registration Deadline: 28th March 2024
- First Round Submission: 4th April 2024
- Final Result Announcement: 10th April 2024

Winners:

Team Ajmal of I BCOM grabbed the I place with a cash prize of Rs. 1000/- and Team Shinoj of I BCA won the II place with a cash prize of Rs. 700/-. The Reel Making Competition at St. Anne's Degree College, Virajpet, provided an opportunity for students to showcase their creativity and teamwork. The competition followed a structured timeline and rules to ensure fairness and transparency.
